DID YOU KNOW?

Howdy! We're Lammes Candies, proudly born and raised in Austin, TX since 1885, a whopping century plus ago. What better way to celebrate our history than to share a few fun facts about us and our beautiful hometown.

William Wirt Lamme started "The Red Front Candy Store" on Congress Ave in 1878 but lost the company after betting it in a POKER GAME! In July 1885, his son DT Lamme came to Austin to repay the \$800 GAMBLING DEBT and reclaim the business. He renamed it LAMMES CANDIES.

Down the street from Lammes, the cornerstone for the **STATE CAPITOL** was being laid. The capitol building officially opened 3 years later in **APRIL 1888.**

After 7 years of recipe tasting, the now **WORLD-FAMOUS TEXAS CHEWIE® PECAN PRALINE** was developed in 1892. Now we make over

**2,000
POUNDS DAILY!**

Lammes hung the 1st

IN AUSTIN, and had the first soda fountain in the Southwest.

Lammes sourced ice from the prolific **ANDREW ZILKER** (of Zilker Park), who owned Barton Springs.

AUSTIN IS HOME TO THE **LARGEST URBAN BAT COLONY IN NORTH AMERICA.**

OUR PRALINES QUICKLY CAME TO FAME DURING WWII when soldiers stationed in Austin discovered the Chewies and began mailing them home.

IN THE EARLY DAYS, PECANS FROM THE BANKS OF THE COLORADO (NOW LADY BIRD LAKE) WERE GATHERED AND USED IN PRODUCTION OF THE CHEWIES. **LAMMES USES TEXAS GROWN PECANS TO THIS DAY.**
